

Home Health Care Services Required to Use EVV by Jan. 1, 2023

To comply with the 21st Century Cures Act (Section 12006) federal law, HHSC has started identifying programs, services and service delivery options related to home health care services required to use EVV by Jan. 1, 2023 (PDF). HHSC will continue to analyze these services and additional updates may be made.

[Programs, Services and Service Delivery Options Required to Use Electronic Visit Verification by January 1, 2023 \(texas.gov\)](#)

Please visit the 21st Century Cures Act webpage for the latest information about the EVV home health care services implementation.
